

Important Notice for Patients Eighteen Years of Age or Older

At the age of eighteen your medical records here at Start Line Pediatrics become confidential. The physician will only discuss your medical records with you. If you would like your parents to be allowed to view or discuss your records with the physician, then **you will need to check off which issues can be discussed** and sign below giving us permission to do so.

I agree that my parent or guardian may discuss:

_____ Medical Issues

_____ Deny All

OR

_____ Sexual Issues

_____ Mental Health Issues

Print Name _____ DOB _____

Signature _____ Date _____
